Books can guide what we do and our lives. Many of us love books while reading them and maybe they will echo with us a few weeks after but 2 years later we can't remember if we have read it or not. And that's a shame. We remember that at that time, the book meant a lot to us. Why is it that 2 years later we have forgotten everything? That's not good. This summary is taken from the most important themes of the original book. Most people don't like books. People just want to know what the book says they have to do. Abundance Deepak Chopra, M.D.,2022-03-01 An enlightening guide to success, fulfillment, wholeness, and plenty, offering practical advice on how to cultivate a sense of abundance in times of fear and insecurity, from New York Times bestselling author Deepak Chopra "To attain wealth of the lasting kind, the kind that gives your life meaning, value, and sustenance, base your daily existence on the generosity of spirit."—Deepak Chopra Many of us live and operate from a mindset of lack, scarcity, and limitation. We focus on what we don't have—financial security, confidence, an intimate relationship—which keeps us feeling insecure and inadequate. We think "if only I could have those things, I could be happy." But measuring wealth by money or material possessions leaves us feeling drained and spiritually empty. Constantly striving for more often means our ego is driving our thoughts, actions, and reactions, which prevents us from reaching something greater: a true sense of inner peace, acceptance, and fulfillment. Yet, there is an inner path to prosperity and wealth that, once charted and explored, provides access to the great riches of the universe and life's unbounded possibilities. In *Abundance*, international bestselling author Deepak Chopra illuminates this road to success and wholeness, helping readers tap into a deeper sense of awareness to become agents of change in their own lives. Mixing ancient teachings and spiritual practices with the wisdom he's garnered over four decades as the leading figure in mind-body medicine, Deepak demonstrates how to transcend self-generated feelings of limitation and fear in order to experience true abundance in all

aspects of life. To do so, he offers a seven-step plan along with meditations and mindfulness techniques to help you focus and direct your attention, energy, and intuition so you can experience stability, affluence, insight, creativity, love, and true power.
