Reconstructing Amelia Dec 21 2021 Stressed single mother and law partner Kate is in the meeting of her career when she is interrupted by a telephone call to say that her teenaged daughter Amelia has been suspended from her exclusive Brooklyn prep school for cheating on an exam. Torn between her head and her heart, she eventually arrives at St Grace's over an hour late, to be greeted by sirens wailing and ambulance lights blazing. Her daughter has jumped off the roof of the school, apparently in shame of being caught. A grieving Kate can't accept that her daughter would kill herself: it was just the two of them and Amelia would never leave her alone like this. And so begins an investigation which takes her deep into Amelia's private world, into her journals, her email account and into the mind of a troubled young girl. Then Kate receives an anonymous text saying simply: AMELIA DIDN'T JUMP. Is someone playing with her or has she been right all along?

Beautiful Broken Rules Jan 02 2023 The most valuable lesson Emerson Moore ever learned was from her parents: never get too attached to someone else. At least no one gets hurt this way—especially her. When ridiculously gorgeous Jaxon Riley moves in next door, Emerson's not sure how long her vow against

emotional intimacy can last. After everything she's been through, can Emerson handle a real relationship? Or will breaking her rules just lead to a broken heart?

Friends Like These Nov 07 2020 A GMA Buzz Pick "Kim McCreight's thrillers are smart, propulsive and impossible to put down." –Laura Dave, author of *The Last Thing He Told Me* In this relentlessly twisty literary thriller from New York Times bestselling author Kimberly McCreight, a desperate intervention brings together a group of college friends 10 years after graduation—a reunion marked by lies, betrayal, and murder. Coming Soon from Amblin Television Six college friends have reunited for a glamorous weekend in the Catskills, a decade after a fatal accident that nearly destroyed them. Keith, once the ringleader of the group, was a handsome charmer on the fast track to success. Now he's spiraling into addiction and stands at the edge of losing it all. Leap of Faith Jan 10 2021 "The fan-favorite couple from Netflix's *Love Is Blind* share their ups and downs after two years of marriage, love advice for the modern world, and behind-the-scenes anecdotes from the pods"--

Bodies on the Line Oct 07 2020 As the courts betray us and our leaders fail us, only we can keep each other safe. In this powerful, empathetic look at abortion clinic escorting, "one of the most under-covered and crucial, lifesaving, rigorous forms of activism out there" (Rebecca Traister), Lauren Rankin offers real hope—and a real call to action for a post-Roe America. Incisive and eye-opening, *Bodies on the Line* makes a clear case that the right to an abortion is a fundamental part of human dignity. And now that the Supreme Court has overturned *Roe v Wade*, the stakes facing us all if that right disappears have never been higher. Clinic escorts—everyday volunteers who shepherd patients safely inside to receive care—are fighting on the front lines by replacing hostility with humanity. Prepared to stand up and protect abortion access as they have for decades, even in the face of terrorism and violence, clinic escorts live—and have even died—to ensure that abortion remains not only accessible but a basic human right. Their stories

have never been told—until now. With precision and passion, Lauren Rankin traces the history and evolution of this movement to tell a broader story of the persistent threats to safe and legal abortion access, and the power of individuals to stand up and fight back. Deeply researched, featuring interviews with clinic staff, patients, experts, and activists—plus the author’s own experience as a clinic escort—*Bodies on the Line* reframes the “abortion wars,” highlighting the power of people to effect change amid unimaginable obstacles, and the unprecedented urgency of channeling that power.

Oak Flat Jan 22 2022 NATIONAL BESTSELLER • A powerful work of visual nonfiction about three generations of an Apache family struggling to protect sacred land from a multinational mining corporation, by MacArthur “Genius” and National Book Award finalist Lauren Redniss, the acclaimed author of *Thunder & Lightning* “Brilliant . . . virtuosic . . . a master storyteller of a new order.”—Eliza Griswold, *The New York Times Book Review* (Editors’ Choice) NAMED ONE OF THE BEST BOOKS OF THE YEAR BY KIRKUS REVIEWS *Oak Flat* is a serene high-elevation mesa that sits above the southeastern Arizona desert, fifteen miles to the west of the San Carlos Apache Indian Reservation. For the San Carlos tribe, *Oak Flat* is a holy place, an ancient burial ground

and religious site where Apache girls celebrate the coming-of-age ritual known as the Sunrise Ceremony. In 1995, a massive untapped copper reserve was discovered nearby. A decade later, a law was passed transferring the area to a private company, whose planned copper mine will wipe Oak Flat off the map—sending its natural springs, petroglyph-covered rocks, and old-growth trees tumbling into a void. Redniss's deep reporting and haunting artwork anchor this mesmerizing human narrative. Oak Flat tells the story of a race-against-time struggle for a swath of American land, which pits one of the poorest communities in the United States against the federal government and two of the world's largest mining conglomerates. The book follows the fortunes of two families with profound connections to the contested site: the Nosies, an Apache family whose teenage daughter is an activist and leader in the Oak Flat fight, and the Gorhams, a mining family whose patriarch was a sheriff in the lawless early days of Arizona statehood. The still-unresolved Oak Flat conflict is ripped from today's headlines, but its story resonates with foundational American themes: the saga of westward expansion, the resistance and resilience of Native peoples, and the efforts of profiteers to control the land and unearth treasure beneath it while the lives of individuals hang in the balance.

Working Law May 14 2021 Since the passage of the Civil Rights Act, virtually all companies have antidiscrimination policies in place. Although these policies represent some progress, women and minorities remain underrepresented within the workplace as a whole and even more so when you look

at high-level positions. They also tend to be less well paid. How is it that discrimination remains so prevalent in the American workplace despite the widespread adoption of policies designed to prevent it? One reason for the limited success of antidiscrimination policies, argues Lauren B. Edelman, is that the law regulating companies is broad and ambiguous, and managers therefore play a critical role in shaping what it means in daily practice. Often, what results are policies and procedures that are largely symbolic and fail to dispel long-standing patterns of discrimination. Even more troubling, these meanings of the law that evolve within companies tend to eventually make their way back into the legal domain, inconspicuously influencing lawyers for both plaintiffs and defendants and even judges. When courts look to the presence of antidiscrimination policies and personnel manuals to infer fair practices and to the presence of diversity training programs without examining whether these policies are effective in combating discrimination and achieving racial and gender diversity, they wind up condoning practices that deviate considerably from the legal ideals.

Black Light Mar 31 2020 'The stories in *Black Light* are grimy and weird, surprising, utterly lush... I loved every moment of this book.' Carmen Maria Machado, author of *Her Body and Other Parties*

A black light illuminates that which the eye doesn't see, uncovering what is hidden in plain sight. In this raw, compassionate, debut collection Kimberly King Parsons casts light onto

the weird, the intimate, the eerie and the sublimely beautiful with unflinching gaze and ferocious eloquence. Over twelve crackling stories, each a glorious escape hatch, she captures the bright ache of first love, the claustrophobic shadows of desire, the obsessive nature of friendship and the rapturous pull of taboo. Filled with a frenetic longing for connection, her reckless yet resilient heroines exhilarate and charm as they pursue the promise of elsewhere. With psychedelic energy and deep humanity, *Black Light* chews over the messiness of being alive, the unsteadiness of hope and the ecstasies of coming of age.

The Lost Book of Eleanor Dare Dec 09 2020 The fate of the world is often driven by the curiosity of a girl. What happened to the Lost Colony of Roanoke remains a mystery, but the women who descended from Eleanor Dare have long known that the truth lies in what she left behind: a message carved onto a large stone and the contents of her treasured commonplace book. Brought from England on Eleanor's fateful voyage to the New World, her book was passed down through the fifteen generations of daughters who followed as they came of age. Thirteen-year-old Alice had been next in line to receive it, but her mother's tragic death fractured the unbroken legacy and the Dare Stone and the shadowy history recorded in the book faded into memory. Or so Alice hoped. In the waning days of World War II, Alice is a young widow and a mother herself when she is unexpectedly presented with her birthright: the deed to Evertell, her abandoned family home and the history she thought forgotten. Determined to sell the property and step into a future free of the past, Alice

returns to Savannah with her own thirteen-year-old daughter, Penn, in tow. But when Penn's curiosity over the lineage she never knew begins to unveil secrets from beneath every stone and bone and shell of the old house and Eleanor's book is finally found, Alice is forced to reckon with the sacrifices made for love and the realities of their true inheritance as daughters of Eleanor Dare. In this sweeping tale from award-winning author Kimberly Brock, the answers to a real-life mystery may be found in the pages of a story that was always waiting to be written. Praise for *The Lost Book of Eleanor Dare*: "From the haunting first line, *The Lost Book of Eleanor Dare* transports the reader to a mysterious land, time and family . . . the captivating women of the Dare legacy must find their true inheritance hiding behind the untold secrets." —Patti Callahan, *New York Times* bestselling author

Cruel Optimism Dec 29 2019 A relation of cruel optimism exists when something you desire is actually an obstacle to your flourishing. Offering bold new ways of conceiving the present, Lauren Berlant describes the cruel optimism that has prevailed since the 1980s, as the social-democratic promise of the postwar period in the United States and Europe has retracted. People have remained

attached to unachievable fantasies of the good life—with its promises of upward mobility, job security, political and social equality, and durable intimacy—despite evidence that liberal-capitalist societies can no longer be counted on to provide opportunities for individuals to make their lives “add up to something.” Arguing that the historical present is perceived affectively before it is understood in any other way, Berlant traces affective and aesthetic responses to the dramas of adjustment that unfold amid talk of precarity, contingency, and crisis. She suggests that our stretched-out present is characterized by new modes of temporality, and she explains why trauma theory—with its focus on reactions to the exceptional event that shatters the ordinary—is not useful for understanding the ways that people adjust over time, once crisis itself has become ordinary. *Cruel Optimism* is a remarkable affective history of the present.

Heart Land Apr 24 2022 A story of reconnection, lost love, and the power of faith, *Heart Land* follows a struggling fashion designer back to her small Iowa hometown as she tries to follow her dreams of success and finding true love. Grace Klaren has finally made her dream of living in the Big Apple and working in the fashion industry a

reality. But when she's unexpectedly fired and can't afford the next month's rent, Grace does something she never thought she'd do: she moves back home. Back in Silver Creek, Iowa, Grace is determined to hate it. She rails against the quiet of her small town, where everything closes early, where there's no nightlife, where everyone knows each other. She's saving her pennies and plotting her return to New York when she almost runs over a man who's not paying attention at a crosswalk. It turns out to be Tucker, her high school sweetheart whose heart she broke when she left ten years ago. They reconnect, and Grace remembers why she fell for him in the first place. And her career begins to turn around when she finds a gorgeous but tattered vintage dress at a flea market. She buys it, rips it apart seam by seam, and re-creates it with new fabric, updating the look with some of her own design ideas. She snaps a picture and lists the dress online, and within a day, it sells for nearly \$200. Suddenly, Grace has her ticket out of here. But Grace can't fight her growing feelings for Tucker. Sometimes when they're together, Tucker paints a picture of what their future could be like, and it feels so real. And when she finally gains the funding to move her new business back to New York, Grace must decide where home really is—will she chase her long-held New York dream, or find a new dream here in the heartland?
