**Another God Jul 21 2022** The year is 20—. The dream of a modern exodus awakens Scotland's first Chief Rabbi Brew Moray. His wife Deborah, undergoing IVF, despairs of ever mothering a child. Later, in a religious radio slot Moray calls on his community to leave Scotland. His message provokes a head-on clash with Scotland's father figure and first Prime Minister, Angus Montrose. Moray eloquently argues that his call to preserve Jewish continuity is no less radical than Montrose's realization of Scottish independence from England. Meanwhile, unknown to Moray, Israeli agent Guriat Gaoni is covertly masterminding an audacious mission to rescue the Scottish Jewish community. Israel has learned that Scotland is secretly making a major arms deal with a loose-cannon Middle East regime. Contingent on the agreement, the arms supplier demands that Montrose pass laws to prevent Jews from leaving Scotland. The speculative fiction depicted in *Another God* has not come to life, not yet. But it could - after Scotland achieves independence. A rabbi's dream could change the trajectory of one nation and save another nation from destruction. A prime minister's Machiavellian patriotism could launch a new nation-state on an aimless course into oblivion. One woman's miracle can produce a love-child. And another woman's strength and daring might rescue a thousand lives. Scotland's future history is yet to be written - or is it?

**The Single Plane Golf Swing Dec 02 2020 “Through this wonderful book, frustrated golfers can learn to swing like Moe [Norman] and improve their games.” —Anthony Robbins, #1 New York Times-bestselling author** **The mysterious and reclusive genius Moe Norman is acknowledged as the best ball-striker in the history of golf by many of the game’s greats. *The Single Plane Golf Swing: Play Better Golf the Moe Norman Way* reveals the secrets of the swing that enabled him to hit the ball solidly with unerring accuracy and consistency—every time. Norman’s simple, efficient, and easily understood Single Plane Swing has improved the games of thousands of golfers. Golf professional Todd Graves, known as “Little Moe” and regarded as the world authority on Norman’s swing, comprehensively teaches readers the mechanics, drills, and feelings of the Single Plane Swing that Moe called “The Feeling of Greatness.” Graves shares Norman’s brilliant insights and liberating approach to the game and demonstrates why the conventional “tour” swing is too complex and frustrating for the majority of amateurs. Illustrated with more than 300 photographs and written with Tim O’Connor, Norman’s biographer, the book also engagingly tells Norman’s bittersweet life story and explores the teacher-student bond forged between Norman and his protégé Graves. “One of golf’s greatest untold stories, Moe Norman’s life illustrated a simple and powerful truth: greatness is built from practicing the right swing in the right way. In this book, Todd Graves has given us a blueprint for that swing, for those practice habits, and most of all for a process that builds success.” —Dan Coyle, New York Times-bestselling author of *The Culture Code***
