The Field Guide to the North American Teenager Apr 29 2020 William C. Morris YA Debut Award Winner! A hilarious YA contemporary realistic novel about a witty Black French Canadian teen who moves to Austin, Texas, and experiences the joys, clichés, and awkward humiliations of the American high school experience—including falling in love. Perfect for fans of Nicola Yoon, When Dimple Met Rishi, and John

Green. Norris Kaplan is clever, cynical, and quite possibly too smart for his own good. A Black French Canadian, he knows from watching American sitcoms that those three things don't bode well when you are moving to Austin, Texas. Plunked into a new high school and sweating a ridiculous amount from the oppressive Texas heat, Norris finds himself cataloging everyone he meets: the Cheerleaders, the Jocks, the Loners, and even the Manic Pixie Dream Girl. Making a ton of friends has never been a priority for him, and this way he can at least amuse himself until it's time to go back to Canada, where he belongs. Yet against all odds, those labels soon become actual people to Norris...like loner Liam, who makes it his mission to befriend Norris, or Madison the beta cheerleader, who is so nice that it has to be a trap. Not to mention Aarti the Manic Pixie Dream Girl, who might, in fact, be a real love interest in the making. But the night of the prom, Norris screws everything up royally. As he tries to pick up the pieces, he realizes it might be time to stop hiding behind his snarky opinions and start living his life—along with the people who have found their way into his heart.

The Vampire's Mark 1 Feb 08 2021 Four blood-sucking princes. A beautiful anarchist. One dangerous mistake. To the vampires who dominate each quadrant of the Lydian Dynasty, I'm only known as "Blackbird"-a masked vigilante who, at nineteen, is already public enemy number one. To what's left of humanity, I've been called a superhero, a title I neither welcome nor deserve. My only objective is to offer the enslaved what was stolen from us ... Freedom. However, a failed plan lands me in the last place I imagined, at the mercy of all four Dynasty princes-Julian, Levi, Roman, and Silas. They're monsters, each with a heart rumored to be as cold as his icy skin. And what's worse, thanks to the slip-up, my fate is suddenly theirs to decide. It's up to them whether I'll swing from the gallows, and I've given them every reason to sentence me to such a fate. Yet, I felt something unexplainable when our paths first crossed. Something that gives me hope. We should be one another's worst nightmare. Only, I'm beginning to wonder if, somehow ... these four princes might be my saving grace. ***"This is a TOTALLY DIFFERENT take on the Vampire Realm. Boy oh BOY is this a nail-biter!"
