*Near the Bone* May 31 2020 A woman trapped on a mountain attempts to survive more than one kind of monster, in a dread-inducing horror novel from the national bestselling author Christina Henry. Mattie can't remember a time before she and William lived alone on a mountain together. She must never make him upset. But when Mattie discovers the mutilated body of a fox in the woods, she realizes that they're not alone after all. There's something in the woods that wasn't there before, something that makes strange cries in the night, something with sharp teeth and claws. When three strangers appear on the mountaintop looking for the creature in the woods, Mattie knows their presence will anger William. Terrible things happen when William is angry.

*The Wolves of Winter* Oct 04 2020 A post-apocalyptic debut novel in a tradition that includes *The Hunger Games* and *Station Eleven*, this vision of a possible future shows humanity pushed beyond its breaking point, the forging of vital bonds when everything is lost, and, most centrally, a heroic young woman who crosses a frozen landscape to find her destiny. Lynn McBride has learned much since society collapsed in the face of nuclear war and the relentless spread of disease. As the memories of her old life continue to surface, she's forced to forge ahead in the snow-drifted Canadian Yukon, learning how to hunt and trap and slaughter. Forget the old days. Forget summer. Forget warmth. Forget anything that doesn't help you survive in the endless white wilderness beyond the edges of a fallen world. Shadows of the world before have found her tiny community—most prominently in the enigmatic figure of Jax, who brings with him dark secrets of the past and sets in motion a chain of events that will call Lynn to a role she never imagined. "With elements of Cormac McCarthy's *The Road* and TV's *The Walking Dead*, (Kirkus Reviews) *The Wolves of Winter* is both a heartbreaking, sympathetic portrait of a young woman searching for the answer to who she's meant to be and a frightening vision of a merciless new world in which desperation rules. It is enthralling, propulsive, and poignant.

*Rise: A Newsflesh Collection* Nov 24 2019 Collected here for the first time is every piece of short fiction from New York Times Bestseller Mira Grant's acclaimed Newsflesh series, with two new never-before-published novellas and all eight short works available for the first time in print. We had cured cancer. We had beaten the common cold. But in doing so we created something new, something terrible that no one could stop. The infection spread, a man-made virus taking over bodies and minds, filling them with one, unstoppable command...FEED. Mira Grant creates a chilling portrait of an America paralyzed with fear. No one leaves their houses and entire swaths of the country have been abandoned. And only the brave, the determined, or the very stupid, venture out into the wild.

*Blackout* Apr 22 2022 In 2041, Georgia Mason, held hostage by a team of CDC researchers, must find her way back to Shaun Mason, who is dealing with his own problems, such as zombie bears, mad scientists and rogue government agencies, before things get worse in her post-zombie, post-resurrection America.

*The Deep* Dec 06 2020 "A strange plague called the 'Gets is decimating humanity on a global scale. It causes people to forget--small things at first, like where they left their keys, then the not-so-small things like how to drive or the letters of the alphabet. Then their bodies forget how to function involuntarily. There is no cure. But far below the surface of the Pacific Ocean, a universal healer hailed as 'ambrosia' has been discovered. In order to study this phenomenon, a special research lab has been built eight miles under the sea's surface. When the station goes incommunicado, a brave few descend through the lightless fathoms in hopes of unraveling the mysteries lurking at those crushing depths...and perhaps to encounter an evil blacker than anything one could possibly imagine"--Page [4] of cover.

*Bloodfire Quest* Jul 01 2020 NEW YORK TIMES BESTSELLER The adventure that started in *Wards of Faerie* takes a thrilling new turn, in the second novel of Terry Brooks's brand-new trilogy—*The Dark Legacy of Shannara!* The quest for the long-lost Elfstones has drawn the leader of the Druid order and her followers into the hellish dimension known as the Forbidding, where the most dangerous creatures banished from the Four Lands are imprisoned. Now the hunt for the powerful talismans that can save their world has become a series of great challenges: a desperate search for kidnapped comrades, a relentless battle against unspeakable predators, and a grim race to escape the Forbidding alive. But though freedom is closer than they know, it may come at a terrifying price. Back in the village of Arborlon, the mystical, sentient tree that maintains the barrier between the Four Lands and the Forbidding is dying. And with each passing day, as the

breach between the two worlds grows larger, the threat of the evil eager to spill forth and wreak havoc grows more dire. The only hope lies with a young Druid, faced with a staggering choice: cling to the life she cherishes or combat an army of darkness by making the ultimate sacrifice. Includes a preview of the next book in the Dark Legacy of Shannara series, *Witch Wraith Praise for Bloodfire Quest* “Explodes from the first page . . . and the action doesn’t stop until the novel’s cliffhanger ending. . . . Intense and exhilarating . . . The author balances character development with intense action, and he has a gift for creating characters the reader cares about. Brooks is one of the best fantasy writers in the business, and *Bloodfire Quest* is better than its predecessor.”—Associated Press “Shannara fans will delight in Brooks’s sorcerous action, skilled characterizations, and rapid-fire storytelling twists.”—Publishers Weekly “Brooks mixes things up here with several sharp battle scenes, for which he brings his distinct talent, giving a true grandeur to clashes involving terrifying creatures and powerful magic. . . . A fine middle chapter to Brooks’ latest Shannara adventure.”—Kirkus Reviews “From the first pages to the harrowing ending, *Bloodfire Quest* . . . is a thrill ride that will leave readers wanting more. . . . This volume, paired with the first, might be just the right place to introduce new readers to this fine writer.”—Booklist (starred review) Praise for Terry Brooks “I can’t even begin to count how many of Terry Brooks’s books I’ve read (and reread) over the years. From *Shannara to Landover*, his work was a huge part of my childhood.”—Patrick Rothfuss, New York Times bestselling author of *The Name of the Wind* “Terry Brooks has been my constant companion over a lifetime of exploring my beloved fantasy genre. I say with all honesty I would not be writing epic fantasy today if not for *Shannara*. If Tolkien is the grandfather of modern fantasy, Terry Brooks is its favorite uncle.”—Peter V. Brett, New York Times bestselling author of *The Desert Spear* “Terry Brooks is a master of the craft and a trailblazer who established fantasy as a viable genre. Not only do I owe him for many hours of reading pleasure, I owe him my job. He is required reading.”—Brent Weeks, New York Times bestselling author of *The Night Angel Trilogy*

*Rosemary and Rue* Sep 22 2019 Celebrating ten years of the Hugo-nominated and New York Times bestselling *October Daye* urban fantasy series comes a new hardcover anniversary edition of the book that started it all, with a new bonus novella. The world of Faerie never disappeared; it merely went into hiding, continuing to exist parallel to our own. Secrecy is the key to Faerie's survival—but no secret can be kept forever, and when the fae and mortal worlds collide, changelings are born. Outsiders from birth, these half-human, half-fae children spend their lives fighting for the respect of their immortal relations. Or, in the case of *October "Toby" Daye*, rejecting it completely. After getting burned by both sides of her heritage, Toby has denied the fae world, retreating into a “normal” life. Unfortunately for her, Faerie has other ideas... The murder of Countess Evening Winterrose, one of the secret regents of the San Francisco Bay Area, pulls Toby back into the fae world. Unable to resist Evening’s dying curse, Toby must resume her former position as knight errant to the Duke of Shadowed Hills and begin renewing old alliances that may prove her only hope of solving the mystery...before the curse catches up with her. This edition features an all-new *October Daye* novella, *Strangers in Court*. Toby knew what she was doing when she threw her lot in with Devin, but when the time comes to get out, she has a little less of a clue. In order to win her freedom, she must do something to impress the local nobility—and the collapse of the Queen's knowe would seem to be exactly the opportunity she's been waiting for to prove herself! Set well before the events of *Rosemary and Rue*, this is a rare look at Toby's past as a changeling street rat, before she discovered her destiny as a Hero of the Realm.

*Countdown* Jul 13 2021 The year is 2014, the year everything changed. We cured cancer. We cured the common cold. We died. This is the story of how we rose. When will you rise? *Countdown* is a novella set in the world of FEED.

*Kingdom of Needle and Bone* Apr 10 2021 "It begins with a fever. By the time the spots appear, it's too late: Morris's disease is loose on the world, and the bodies of the dead begin to pile high in the streets. When its terrible side consequences for the survivors become clear, something must be done, or the dying will never stop. For Dr. Isabella Gauley, whose niece was the first confirmed victim, the route forward is neither clear nor strictly ethical, but it may be the only way to save a world already in crisis. It may be the only way to atone for her part in everything that's happened."--Publisher's description.

*Alien: Echo* Feb 20 2022 Named to the 2020 Hal Clement list and the 2020 ALA Rainbow List An original young adult novel of the Alien universe Olivia and her twin sister Viola have been dragged around the universe for as long as they can remember. Their parents, both xenobiologists, are always in high demand for their research into obscure alien biology. Just settled on a new colony world, they discover an alien threat unlike anything they've ever seen. And suddenly the sisters' world is ripped apart. On the run from terrifying aliens, Olivia's knowledge of xenobiology and determination to protect her sister are her only weapons as the

colony collapses into chaos. But then a shocking family secret bursts open—one that's as horrifying to Olivia as the aliens surrounding them. The creatures infiltrate the rich wildlife on this untouched colony world—and quickly start adapting. Olivia's going to have to adapt, too, if she's going to survive... An Imprint Book "An electrifying adventure ... Olivia and Kora are smart, strong young women, and their romance, born in the midst of unspeakable horror, is believable. ... A worthy and terrifying addition to a classic sci-fi/horror franchise." —Kirkus Reviews "Mira Grant blends gritty science fiction, complex characters, and nail-biting horror in *Alien: Echo!* A spellbinding novel of courage and terror." —Jonathan Maberry, New York Times bestselling author of *Broken Lands* and editor of *Aliens: Bug Hunt*

*Goddess of the Sea* Mar 29 2020 New York Times bestselling author P. C. Cast presents the first novel in her *Goddess Summoning* series... Home alone on the night of her twenty-fifth birthday, Air Force Sergeant Christine Canady yearned for something to cure her loneliness. After drinking too much champagne, she recited a divine invocation to revive her humdrum life. But how was she to know the spell would actually work? When her plane crashes into the ocean, CC's life changes forever. She awakens, bewildered, to find herself in a legendary time and place ruled by magic—and in the body of the mythic mermaid Undine. But danger lurks in the waters, ready to swallow CC whole. Taking pity on her, the goddess Gaea turns her into a damsel, that she might seek shelter on land. But when a dashing knight comes to CC's rescue—a dream-come-true she should be falling for—she instead aches for the sea and the darkly sexy merman who's stolen her heart...

*Into the Drowning Deep* Oct 28 2022 New York Times bestselling author Mira Grant, author of the renowned *Newsflesh* series, returns with a novel that takes us to a new world of ancient mysteries and mythological dangers come to life. The ocean is home to many myths, but some are deadly. . . Seven years ago the *Atargatis* set off on a voyage to the Mariana Trench to film a mockumentary bringing to life ancient sea creatures of legend. It was lost at sea with all hands. Some have called it a hoax; others have called it a tragedy. Now a new crew has been assembled. But this time they're not out to entertain. Some seek to validate their life's work. Some seek the greatest hunt of all. Some seek the truth. But for the ambitious young scientist Victoria Stewart this is a voyage to uncover the fate of the sister she lost. Whatever the truth may be, it will only be found below the waves. But the secrets of the deep come with a price.

*How Green This Land, How Blue This Sea* Jun 12 2021 A new Newsflesh novella from the New York Times bestselling author that brought you *Feed*, Mira Grant. Post-Rising Australia can be a dangerous place, especially if you're a member of the government-sponsored Australia Conservation Corps, a group of people dedicated to preserving their continent's natural wealth until a cure can be found. Between the zombie kangaroos at the fences and the zombie elephant seals turning the penguin rookery at Prince Phillip Island into a slaughterhouse, the work of an animal conservationist is truly never done--and is often done at the end of a sniper rifle. *The Demon Equilibrium* Oct 24 2019 Grace Carter, a "source" of magic, has spent the last nine months searching for Maggie Mulvaney, her "catalyst." The joy of reuniting with her partner--and her lover--is thwarted by her worst fear: Maggie doesn't remember Grace or their life together. Grace blames the Order of Saint Teresa, the centuries-old organization that trained them to be the strongest demon-hunting duo in generations. But why has the Order done this? As Maggie and Grace begin to piece their lives back together, they discover that their memories have been masked by someone within the Order. Should the Horde succeed in their plan, those who have committed their lives to slay worldly demons will be relegated to little more than minions as humans are completely enslaved. Now, Grace and Maggie must sacrifice everything, possibly even their lives, as they battle to save humanity.

*The Rising* Nov 17 2021 Now, for the first time, Mira Grant's complete New York Times bestselling NEWSFLESH trilogy is available in a single volume. "Alive or dead, the truth won't rest. My name is Georgia Mason, and I am begging you. Rise up while you can." The year was 2014. We had cured cancer. We had beat the common cold. But in doing so we created something new, something terrible that no one could stop. The infection spread, virus blocks taking over bodies and minds with one, unstoppable command: FEED. Now, twenty years after the Rising, Georgia and Shaun Mason are on the trail of the biggest story of their lives - the dark conspiracy behind the infected. *The Hollow Places* Sep 03 2020 A young woman discovers a strange portal in her uncle's house, leading to madness and terror in this gripping new novel from the author of the "innovative, unexpected, and absolutely chilling" (Mira Grant, Nebula Award-winning author) *The Twisted Ones*. Pray they are hungry. Kara finds the words in the mysterious bunker that she's discovered behind a hole in the wall of her uncle's house. Freshly divorced and living back at home, Kara now becomes obsessed with these cryptic words and starts exploring this peculiar area—only to discover that it holds portals to countless alternate realities. But these places are haunted by creatures that seem to hear thoughts...and the more one fears them, the stronger they become. With her distinctive "delightfully fresh and subversive" (SF Bluestocking) prose and the strange, sinister wonder found in Guillermo del Toro's *Pan's Labyrinth*, *The Hollow Places* is another compelling and white-knuckled horror novel that you won't be able to put down.

*The Dark Days Deceit* Feb 26 2020 The thrilling, genre-bending conclusion to Lady Helen's demon-hunting adventures, set in the glittering Regency world. Lady Helen has retreated to a country estate outside Bath to prepare for her wedding to the Duke of Selburn, yet she knows she has unfinished business to complete. She and the dangerously charismatic Lord Carlston have learned they are a dyad, bonded in blood, and only they are strong enough to defeat the Grand Deceiver, who threatens to throw mankind into chaos. But the heinous death-soaked Ligatus Helen has absorbed is tearing a rift in her mind. Its power, if unleashed, will annihilate both Helen and Carlston unless they can find a way to harness its ghastly force and defeat their enemy. In the final book of the trilogy that began with *The Dark Days Club* and continued with *The Dark Days Pact*, the intrepid Lady Helen's story hurtles to a shocking conclusion full of action, heartbreak and betrayal.

*Blackout* Dec 18 2021 The explosive conclusion to the Newsflesh trilogy from New York Times bestseller Mira Grant. Rise up while you can. -- Georgia Mason The year was 2014. The year we cured cancer. The year we cured the common cold. And the year the dead started to walk. The year of the Rising. The year was 2039. The world didn't end when the zombies came, it just got worse. Georgia and Shaun Mason set out on the biggest story of their generation. The uncovered the biggest conspiracy since the Rising and realized that to

tell the truth, sacrifices have to be made. Now, the year is 2041, and the investigation that began with the election of President Ryman is much bigger than anyone had assumed. With too much left to do and not much time left to do it in, the surviving staff of *After the End Times* must face mad scientists, zombie bears, rogue government agencies-and if there's one thing they know is true in post-zombie America, it's this: Things can always get worse. *BLACKOUT* is the conclusion to the epic trilogy that began in the Hugo-nominated *FEED* and the sequel, *DEADLINE*. *Newsflesh FeedDeadlineBlackout* For more from Mira Grant, check out: *ParasitologyParasiteSymbiont Chimera Newsflesh Short FictionApocalypse Scenario #683: The BoxCountdownSan Diego 2014: The Last Stand of the California BrowncoatsHow Green This Land, How Blue This SeaThe Day the Dead Came to Show and TellPlease Do Not Taunt the Octopus Apocalypse Scenario #683: The Box* Jan 27 2020 A new short story from Mira Grant, the author of *Feed*. *Feed* May 23 2022 In a future where most people have computer implants in their heads to control their environment, a boy meets an unusual girl who is in serious trouble.

*Square3* Sep 15 2021 We think we understand the laws of physics. We think reality is an immutable monolith, consistent from one end of the universe to the next. We think the square/cube law has actual relevance. We think a lot of things. It was perhaps inevitable that some of them would turn out to be wrong. When the great incursion occurred, no one was prepared. How could they have been? Of all the things physicists had predicted, "the fabric of reality might rip open and giant monsters could come pouring through" had not made the list. But somehow, on a fine morning in May, that was precisely what happened. For sisters Susan and Katharine Black, the day of the incursion was the day they lost everything. Their home, their parents, their sense of normalcy...and each other, because when the rift opened, Susan was on one side and Katharine was on the other, and each sister was stranded in a separate form of reality. For Susan, it was science and study and the struggle to solve the mystery of the altered physics inside the zones transformed by the incursion. For Katharine, it was monsters and mayhem and the fight to stay alive in a world unlike the world of her birth. The world has changed. The laws of physics have changed. The girls have changed. And the one universal truth of all states of changed matter is that nothing can be completely restored to what it was originally, no matter how much you might wish it could be. Nothing goes back.

[A Choir of Ill Children](#) Nov 05 2020 This lyrical tale of evil, loss, and redemption is a stunning addition to the Southern gothic tradition of Flannery O'Connor and Harry Crews. A Choir of Ill Children is the startling story of Kingdom Come, a decaying, swamp backwater that draws the lost, ill-fated, and damned. Since his mother's disappearance and his father's suicide, Thomas has cared for his three brothers—conjoined triplets with separate bodies but one shared brain—and the town's only industry, the Mill. Because of his family's prominence, Thomas is feared and respected by the superstitious swamp folk. Granny witches cast hexes while Thomas's childhood sweetheart drifts through his life like a vengeful ghost and his best friend, a reverend suffering from the power of tongues, is overcome with this curse as he tries to warn of impending menace. All Thomas learns is that "the carnival is coming." Torn by responsibility and rage, Thomas must face his tormented past as well as the mysterious forces surging toward the town he loves and despises.

[The Emerald Sea](#) Feb 08 2021 The final installment in Richelle Mead's sweeping, enthralling Glittering Court series answers the trilogy's biggest question: what is the secret that drives Tamsin to win at all costs? Tamsin Wright is unstoppable. She must become the Glittering Court's diamond: the girl with the highest test scores, the most glamorous wardrobe, and the greatest opportunities to match with an elite suitor in the New World. Training alongside other girls in the Glittering Court, Tamsin immerses herself completely in lessons about etiquette, history, and music--everything a high-society wife would need to know. Once she's married, she'll be able to afford a better life for her family, so the sacrifice is worth it if she can be the best. When her friendship with Mira and Adelaide, her roommates at the Glittering Court, threatens her status as the top-ranked prospect, she does the only thing she knows will keep her on track: she cuts them out of her life. But when her voyage across the sea goes off course, Tamsin must use her unrelenting grit and determination to survive the harsh winter far north of her intended destination in hopes of making it back to the Glittering Court in time to secure a proposal--and a comfortable future for her family. Experiencing new cultures and beliefs for the first time, Tamsin realizes that her careful studies haven't prepared her for everything, and with new alliances formed with roguish tradesman Jago Robinson and good-natured minister Gideon Stewart, Tamsin's heart begins to be pulled in different directions. But she can't let her brewing attraction get in the way of her ultimate goal: protecting the secret she holds closest to her heart, the one that would unravel everything she's worked for if it's uncovered.

Rise Jan 07 2021 Collected here for the first time is every piece of short fiction from New York Times Bestseller Mira Grant's acclaimed Newsflesh series, with two new never-before-published novellas and all eight short works available for the first time in print. We had cured cancer. We had beaten the common cold. But in doing so we created something new, something terrible that no one could stop. The infection spread, a man-made virus taking over bodies and minds, filling them with one, unstoppable command...FEED. Mira Grant creates a chilling portrait of an America paralyzed with fear. No one leaves their houses and entire swaths of the country have been abandoned. And only the brave, the determined, or the very stupid, venture out into the wild.

Predator: If It Bleeds Aug 22 2019 Over the centuries, extraterrestrial hunters of the Yautja race—also known as the Predators—have encountered (and stalked) humans on Earth and in the depths of space. Offered here are sixteen all-new stories of such hunts, written by many of today's most extraordinary authors: Kevin J. Anderson Jennifer Brozek Larry Correia Mira Grant Tim Lebbon Jonathan Maberry Andrew Mayne Weston Ochse S. D. Perry Steve Perry Jeremy Robinson John Shirley Bryan Thomas Schmidt and Holly Roberds Peter J. Wacks and David Boop Wendy N. Wagner Dayton Ward Inspired by the events of the original Predator movies, graphic novels, and novels, these adventures pit hunter against prey in life-and-death struggles where there can be only one victor.

Feed Dec 30 2022 The year was 2014. We had cured cancer. We had beat the common cold. But in doing so we created something new, something terrible that no one could stop. The infection spread, virus blocks taking over bodies and minds with one, unstoppable command: FEED. Now, twenty years after the Rising, Georgia and Shaun Mason are on the trail of the biggest story of their lives-the dark conspiracy behind the infected. The truth will out, even if it kills them. FEED is the electrifying and critically acclaimed novel of a world a half-step from our own---a novel of geeks, zombies, politics and social media.
