passage referred to 5 a mention or allusion this book contains several
references to the civil war 6 online media more than 100 reference examples
and their corresponding in text citations are presented in the seventh
edition publication manual examples of the most common works that writers
cite are provided on this page additional examples are available in the
publication manual to find the reference example you need first select a
category e g periodicals and then formatting a reference list your reference
list should appear at the end of your paper it provides the information
necessary for a reader to locate and retrieve any source you cite in the
body of the paper each source you cite in the paper must appear in your
reference list likewise each entry in the reference list must be cited in
your text the reference generator will auto generate the correct formatting
for your bibliography depending on your chosen style for instance if you
select a parenthetical style the reference generator will generate an in
text citation in parentheses along with a full citation to slot into your
bibliography likewise if the reference generator is set to a footnote style
then it will create a fully formatted references references provide the
information necessary for readers to identify and retrieve each work cited
in the text check each reference carefully against the original publication
to ensure information is accurate and complete accurately prepared
references help establish your credibility as a careful researcher and
writer reference is a relationship between objects in which one object
designates or acts as a means by which to connect to or link to another
object the first object in this relation is said to refer to the second
object it is called a name for the second object the second object the one
to which the first object refers is called the referent of the first object
