**Ask a Manager** Jul 12 2021 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

**No More Phonics and Spelling Worksheets** May 30 2020 "When we give every student worksheets to learn phonics and spelling, we miss opportunities to get our students excited about words and fail to give them the opportunity to meet the high standards represented by the Common Core Standards. Our students need instruction that makes them think and helps them apply their word knowledge to real reading and writing situations." -Jennifer Palmer and Marcia Invernizzi We want students to be curious about how words work and develop strategies that work whether they are decoding words or spelling them. And our jobs would be easier if students couldn't wait for word study. Yet so many classrooms are stuck in the cycle of unengaging, one-size fits all phonics and spelling worksheets. Reading specialist Jennifer Palmer and literacy researcher Marcia Invernizzi offer better, more effective, more engaging practices. Their suggestions lead kids to not only make progress during word study but also to transfer what they learn about words to their reading and writing. No More Phonics and Spelling Worksheets show us: why skill-and-drill methods and worksheets cause children to struggle or disengage the kinds of teaching that research shows actually works instructional ideas for word study can put to use right away. "We can cast off one-size-fits-all factory instruction and try a more useful practice," write Jennifer and Marcia, "meeting each child where s/he is." Pick up No More Phonics and Spelling Worksheets, discover practices that better support literacy growth, and help everyone make progress.

**Read Write Inc. Fresh Start** Dec 25 2019 Read Write Inc. Fresh Start is a specially adapted literacy programme for all students in grades 4 and above who are working below National Curriculum Level 3. Like Read Write Inc. Phonics for pupils in the early years, the scheme starts with phonics

lessons which introduce students to all the letter sounds through use of the Speed Sounds Cards and the Green and Red Word Cards. The Modules are specially written to help students to catch up on and develop their reading and writing skills. Each Module provides practice of the graphemes and sounds that have been taught in phonics lessons. There is a fiction or non-fiction text and a variety of comprehension and writing activities. The Modules should be completed sequentially, with the Introductory Module first, followed by the other 33 Modules.

*Uncovering the Logic of English: A Common-Sense Solution to America's Literacy Crisis* May 22 2022 "English is so illogical!" It is generally believed that English is a language of exceptions. For many, learning to spell and read is frustrating. For some, it is impossible... especially for the 29% of Americans who are functionally illiterate. But what if the problem is not the language itself, but the rules we were taught? What if we could see the complexity of English as a powerful tool rather than a hindrance? --Denise Eide *Uncovering the Logic of English* challenges the notion that English is illogical by systematically explaining English spelling and answering questions like "Why is there a silent final E in have, large, and house?" and "Why is discussion spelled with -sion rather than -tion?" With easy-to-read examples and anecdotes, this book describes: - the phonograms and spelling rules which explain 98% of English words - how English words are formed and how this knowledge can revolutionize vocabulary development - how understanding the reasons behind English spelling prevents students from needing to guess The author's inspiring commentary makes a compelling case that understanding the logic of English could transform literacy education and help solve America's literacy crisis. Thorough and filled with the latest linguistic and reading research, *Uncovering the Logic of English* demonstrates why this systematic approach should be as foundational to our education as  $1+1=2$ .

*Angling for Words* Dec 17 2021 *Angling for Words* is designed to provide multisensory language and phonics training based on the Orton-Gillingham procedures. Skills covered include syllabication, pronunciation of vowels, digraphs and blends, and use of affixes.
