grandir is a regular
ir verb and it
follows a common
pattern in the

conjugations for
instance in the je
and tu present
tense an s is added
to the verb stem
grand this gives use
je grandis and tu
grandis which mean
i am growing or you
grow respectively
for the future tense
of nous irons is
added to create
nous description
grand fir is a fast
growing evergreen
coniferous species
of tree that grows
to mature heights
of 260 feet 80 m tall
with a trunk up to
62 inches 155 cm in
diameter measured
at breast height and
a crown conic
becoming round
topped or straggly
with age grandis
