WHEN THE LIGHTS GO ON AGAIN May 12 2021 This book tells the story of life during WW2 in and around Cowfold, largely through the memories of eleven children, with ages ranging from under five to

teenager. There are no stories here of bloodshed, death and destruction. Instead this is a story of making do with often very little, of life in the village under the restrictions of blackout and rationing, of childish wide-eyed excitement at watching aerial combat and of rushing to the site of a crashed bomber or fighter in the hope of picking up souvenirs. There are stories of fear at hearing the night time throbbing engine of German bombers or bombs and incendiaries exploding in the area, and later of the dreaded Doodlebug. This was the villagers' front line- the Home Front - where achieving victory in farming the fields or responding to the Dig for victory campaign or just keeping calm and carrying on was no less important to the ultimate victory than the battles fought on land, in the air, and at sea. The children played their part in this Home Front victory accepting the hardships and contributing to the war effort by helping with fund raising or collecting wild fruit for processing, or helping with the harvests. This book is a tribute to all those children and adults of Cowford who endured six years of hardship, shortages, separation from fathers, husbands, sons and brothers and sisters, and fear and yet who persevered and ultimately prevailed.

Go for Beginners Sep 27 2022 Go is an ancient, subtly beautiful game of territory. But with its nearly endless possibilities and challenges, it is more than just another game; it is a way of life for tens of millions of players throughout the world. Embodying four thousand years of Oriental thought and culture, go is the oldest game

in the world still played in its original form. Go is the kind of game that one can learn in a day—and spend a lifetime perfecting. It is more art than science: in order to surround and capture the opponent's territory, one needs intuition, flexibility, and acute perception combined with a sharp analytical mind. Each player is a partner in an exercise of coexistence; each player needs the other for self-enlightenment and for enjoyment. But then, too, go is a game whose strategy has been compared to the tactics of guerilla warfare. Go can be all things to all people; it is simple, elegant, and unexpectedly beautiful. This book contains an introduction; a brief example game; a clear, leisurely explanation of the rules; and illustrations of the simplest techniques of good play and of some easy and some more difficult problems the player will encounter. The appendixes include a concise list of rules, a glossary of technical terms, and a list of international and American go organizations. Among go players, Go for Beginners is known as the best beginner's book available.

The Show Must Go On! Mar 29 2020 In their trademark style, author Kate Klise and illustrator M. Sarah Klise blend a story bursting with jokes, puns, and wordplay with illustrations, signs, letters, recipes, and bold graphics to introduce *Three-Ring Rascals*. When Sir Sidney, a kindly old circus owner, becomes too tired to travel with his show, he places a Help Wanted ad in the newspaper. Enter Barnabas Brambles: "I have a degree in lion taming from the University of Piccadilly Circus." But does Leo the lion need taming? Will Elsa the elephant still get her gourmet peanuts? And what will Brambles say when he discovers Bert and Gert—two mice who travel with the circus on popcorn cleanup patrol? Brambles has big plans: More cities! More shows! No more free popcorn. Soon he's made a big mess of Sir Sidney's Circus, but Leo, Elsa, Bert, Gert, and the rest of the performers agree: *The Show Must Go On!* Black and white line drawings throughout.
