Sully the Seahorse Mar 18 2022 Sully the Seahorse is a heart-warming, beautifully illustrated rhyming picture book which encourages children to believe in themselves and to be proud of who they are. It's the day of the Sea School Stars annual talent contest and little Sully really wants to win!! Oh, how he longs to be a super-fast fish or a gigantic, strong whale. Poor Sully never wins ANYTHING! This heart-warming story follows Sully on his race for victory - where he comes across a BIG challenge and discovers his own very special talents. ON YOUR MARKS, READY.....GET SET GO!!! The ocean is buzzing with excitement practising their performances for the competition....all except for Sully who doesn't feel very good at anything at all. "The contest starts soon," reminded Miss Trout. Sully felt worried and started to shout: "Do I have to take part, Miss? Please say no." "Yes," she replied. "You should give it a go." Poor Sully becomes disheartened as he loses some of the races, but the contest comes to a halt when a dark shadow descends upon Sea School and threatens to change Sully's future forever! Will Sully find his sparkle before it's too late? The book explores the issue of self-esteem in a fun and heart-warming way and encourages children to celebrate differences and appreciate their own talents and qualities. It's sometimes hard for children to understand that they can't always be the best at everything. One of life's most important lessons is learning how to deal with making mistakes and being able to lose! Children sometimes find it difficult to understand why they came last in the race, or why they never win the writing contest. Sully discovers in the story that if you keep on trying then you'll find your own special talents - and that's the message for children too - just keep trying and be proud of who you are! It encourages children to become resilient so that they can bounce back from challenges and failure. This is the second book in my Sea School Stories series. The first book, Monty the Manatee, focuses on kindness and anti-bullying and has sold thousands of copies around the world.

The Nonsense Show Dec 23 2019 Silliness takes center stage in this laugh-out-loud book from the creator of *The Very Hungry Caterpillar?*—now available as a board book! Yes, there's something strange, something funny and even downright preposterous on every page of this book. But it's not a mistake – it's nonsense! Nonsense lies at the heart of many beloved nursery rhymes. Children readily accept odd statements like “the cow jumped over the moon” and “the dish ran away with the spoon.” This fanciful bending of reality is also basic to surrealism. In this book, nonsense and surrealism combine to spark creativity and imagination. What's true? What's impossible? What's absolutely absurd? From Eric Carle, creator of the classic, *The Very Hungry Caterpillar*, comes a book to make children laugh and think, preparing them for a lifetime of loving both words and art. Praise for *The Nonsense Show* A TIME Magazine Top 10 Children's Book of 2015! * "Carle creates fun and laughter in this homage to the surrealist artist René Magritte. [P]erfect for storytimes and silly times all round.
