This is the official autobiography of Brazil and Barcelona superstar Neymar. Neymar da Silva Santos Junior is one of the most iconic players in football, a superstar for Barcelona FC and the greatest name in modern-day Brazilian sport. His journey to the peak of world football has been extraordinary: from a childhood spent on the verge of poverty he was plucked from obscurity as an eleven year old by Santos FC, the club where Pelé made his name, and soon after making his first-team debut as a seventeen year old he rocketed to fame to become one of the brightest stars in world football. But Neymar would not have become the player that he has without his father, Neymar Sr, who has been a steady and influential guide in his life and career. And only with an understanding of his father's past, and of the challenges that the Neymar family have faced and overcome, is it possible to truly understand the making of this extraordinary footballer. The role and the influence that father and son have each had on the other's life, and how they have achieved such a successful balance between work and family life, is a beautiful and touching story. Neymar's talent has always been astonishing. But it could have been lost had it not been carefully nurtured, developed and managed. This book reveals the making of one of the greatest and most iconic players on the planet as told by father and son, with exclusive insights into Neymar's life and career, his achievements and his aspirations as he prepares to spearhead Brazil's World Cup challenge in the summer of 2014.
