A Home for Lily Apr 10 2021 Trapped in a loveless marriage with a baby on the way, Lily Castro doesn't believe life can get any worse until a car accident changes everything. Now, alone and broke, she'll do whatever it takes to provide for her baby. Firefighter and single dad, Logan Anderson, needs a nanny for his traumatized child, Hazel. When the fragile woman he rescued from the wreckage of a car shows up at the station to say thank you and applies for the job, he agrees to hire her. Lily is determined to keep her new job as a nanny. It means the difference between keeping and losing her baby. But will her growing feelings for her new employer destroy her chance at a fresh start for both her and her baby?

Tomorrow There Will Be Apricots May 11 2021 “Sassy, brash, acrobatic and colorful . . . I want to read it again and again.” —Time“Impressive . . . Soffer's style is natural and assured.” —Meg Wolitzer, *All Things Considered*, NPRLorca spends her life poring over cookbooks to earn the love of her distracted mother, a chef, who is now packing her off to boarding school. Desperate to prove herself, Lorca resolves to track down the recipe for her mother's ideal meal. She signs up for cooking lessons from Victoria, an Iraqi-Jewish immigrant profoundly shaken by her husband's death. Soon these two women develop a deeper bond while their concoctions—cardamom pistachio cookies, baklava, and masgouf—bake in Victoria's kitchen. But their individual endeavors force a reckoning with the past, the future, and the truth—whatever it might be.In *Tomorrow There Will Be Apricots* we see how food sustains not just our bodies, but our hopes as well. Bukra fil mish mish, the Arabic saying goes. Tomorrow, apricots may bloom.“A profound and necessary new voice. Soffer's prose is as controlled as it is fresh, as incisive as it is musical. Soffer has arrived early, with an orchestra of talent at her disposal.” —Colum McCann, author of *Let the Great World Spin*“Moving [and] extraordinary.” —Atlantic“A work of beauty in words . . . Soffer is a master artist painting the hidden hues of the human soul.” —New York Journal of Books

Life and Correspondence of the Rev. William Smith, D. D.... Nov 05 2020

Red Moon Jul 25 2022 Many years have passed since the Great War that destroyed over three quarters of the world's population. Now, humans and paranormals alike have learned how to survive in the new world. For Avery Hendrin, the eldest daughter of the man who brought light back to the world, life has taken a turn for the worse. Sold into slavery after her father's death, Avery's only concern is keeping her younger sister safe. Branded as a witch and rejected by her own kind because of her red hair, Avery resigns herself to a life in the slave house until a chance meeting with a powerful Lycan named Tristan Williams. Although Tristan does not believe the human's tales of the Reds being witches, he has no need for Avery. He's in search of a nanny for his young children and after an impassioned plea from the redhead, agrees to hire her younger sister as his nanny. However, his beloved daughter Sophia has an immediate connection with Avery and Tristan cannot deny her request to purchase Avery as well, despite the discord it will bring to his household. Struggling to accept her new life as a slave and to ignore her almost immediate attraction to Tristan, Avery tries to hide her healing powers from him but exposes her gift when she saves Tristan's adopted brother from death. Tristan believes his obsession with Avery is nothing more than lust. Determined to bed her despite her strange powers, will he convince her to accept her new life or give her the freedom she craves?

The Time Keeper May 23 2022 From the author who's inspired millions worldwide with books like *Tuesdays with Morrie* and *The Five People You Meet in Heaven* comes his most imaginative novel yet, *The Time Keeper*--a compelling fable about the first man on Earth to count the hours. The man who became Father Time. In Mitch Albom's exceptional work of fiction, the inventor of the world's first clock is punished for trying to measure God's greatest gift. He is banished to a cave for centuries and forced to listen to the voices of all who come after him seeking more days, more years. Eventually, with his soul nearly broken, Father Time is granted his freedom, along with a magical hourglass and a mission: a chance to redeem himself by teaching two earthly people the true meaning of time. He returns to our world--now dominated by the hour-counting he so innocently began--and commences a journey with two unlikely partners: one a teenage girl who is about to give up on life, the other a wealthy old businessman who wants to live forever. To save himself, he must save them both. And stop the world to do so. Told in Albom's signature spare, evocative prose, this remarkably original tale will inspire readers everywhere to reconsider their own notions of time, how they spend it, and how precious it truly is.

Apologize, Apologize! Nov 29 2022 Cinematically vivid with heartstopping dialogue, *Apologize, Apologize!* is an extraordinary debut about a family that puts the personality in disorder. Welcome to the world of the fantastic Flanagans; a wildly eccentric Massachusetts clan that is both blessed and afflicted with an inexhaustible reservoir of old money, unwavering subversive charm – and a veritable chorus of dogs. At the centre of this maelstrom is sensible Collie Flanagan, first-born son and heir to his grandfather's publishing fortune, whose easy life is shattered by the outcome of a casual afternoon outing.

Affecting, funny and wise, this is a rollicking story packed with characters that are a delight to get to know, and are impossible to forget. Excerpt: My name is Collie Flanagan. Ma chose the name Collie after re-discovering the books of Albert Payson Terhune, the guy who wrote *Lad: A Dog*. Pop swore she read him throughout the pregnancy hoping to give birth to a puppy. During my baptism a fight broke out at the altar when the priest objected to me being named after a breed of dog, saying there was no St. Collie and Ma told him there damn well should be and Pop announced that maybe I'd be the first. At Andover they called me Lassie. That was fun.

The Last Summer (of You and Me) Sep 27 2022 From the New York Times-bestselling author of *The Sisterhood of the Traveling Pants* Ann Brashares comes her first adult novel In the town of Waterby on Fire Island, the rhythms and rituals of summer are sacrosanct: the ceremonial arrivals and departures by ferry; yacht club dinners with terrible food and breathtaking views; the virtual decree against shoes; and the generational parade of sandy, sun-bleached kids, running, swimming, squealing, and coming of age on the beach. Set against this vivid backdrop, *The Last Summer (of You and Me)* is the enchanting, heartrending story of a beach-community friendship triangle and summertime romance among three young adults for whom summer and this place have meant everything. Sisters Riley and Alice, now in their twenties, have been returning to their parents' modest beach house every summer for their entire lives. Petite, tenacious Riley is a tomboy and a lifeguard, always ready for a midnight swim, a gale-force sail, or a barefoot sprint down the beach. Beautiful Alice is lithe, gentle, a reader and a thinker, and worshipful of her older sister. And every summer growing up, in the big house that overshadowed their humble one, there was Paul, a friend as important to both girls as the place itself, who has now finally returned to the island after three years away. But his return marks a season of tremendous change, and when a simmering attraction, a serious illness, and a deep secret all collide, the three friends are launched into an unfamiliar adult world, a world from which their summer haven can no longer protect them. Ann Brashares has won millions of fans with her blockbuster series, *The Sisterhood of the Traveling Pants*, in which she so powerfully captured the emotional complexities of female friendship and young love. With *The Last Summer (of You and Me)*, she moves on to introduce a new set of characters and adult relationships just as true, endearing, and unforgettable. With warmth, humor, and wisdom, Brashares makes us feel the excruciating joys and pangs of love—both platonic and romantic. She reminds us of the strength and sting of friendship, the great ache of loss, and the complicated weight of family loyalty. Thoughtful, lyrical, and tremendously moving, *The Last Summer (of You and Me)* is a deeply felt celebration of summer and nostalgia for youth.

The Miracle on Monhegan Island Aug 26 2022 An O, The Oprah Magazine Best Summer Read Back with another "tragicomic romp" (O, the Oprah Magazine), the award-winning author of *The Last Summer of the Camperdowns* brings her sparkling wit and big-hearted touch to Maine's Monhegan Island.

When Spark—the rakish prodigal son—returns unannounced to the dilapidated family home, his arrival launches an unforgettable summer on Monhegan Island. During his absence, his gentle brother and shrewd, fork-tongued father, Pastor Ragnar, have been caring for Spark's son, Hally. A temperamental adolescent emboldened by tales of his father's mischief, Hally is careening through an identity crisis when he stuns his family by claiming to have had a spiritual vision. Though Spark is permanently dubious, Pastor Ragnar pounces on the chance to revitalize his flagging church. Hally is shoved into the spotlight and, in the frenzy that follows, this fragile family is pushed to the brink. Narrated in larger-than-life, crackling prose by one charismatic shih tzu, *The Miracle on Monhegan Island* is another "exquisite and occasionally uproarious" (Elizabeth Egan) must-read summer blockbuster from Elizabeth Kelly.

The Recruit Apr 22 2022 Hannah Torrington has used her newfound training to seek revenge for her sister's death at the hands of the vampires. Her relationship with Will ruined and her abilities growing stronger each day, she is determined to graduate from the program and help end the vampire uprising. When the vampires continue to stalk her family and Will refuses to let her go, she must battle both her feelings for the Lycan and the vampires who wish to destroy her.

Liver Transplantation Nov 17 2021 Explore this practical and step-by-step guide to managing liver transplant patients from leading international clinicians in *Hepatology: The newly revised Second Edition of Liver Transplantation: Clinical Assessment and Management* delivers expert clinical guidance on best practices in managing the care of liver transplant patients. Authors are all experts in their field and cover a world-wide perspective. Organized in an accessible, stepwise fashion and packed with text features such as key points, the book covers all critical areas of each stage of the liver transplant journey, from assessment, to management on the list, to long term care. Readers will learn when to refer a patient for liver transplantation, how to assess a potential liver transplant recipient, learn the principles of the procedure and the long term management of the transplant recipient. *Liver Transplantation* provides the entire hepatology and surgical team the information required for a sound understanding of the entire procedure, from pre- to post-operative care and management. Clinically oriented and management-focused, the book is far more accessible than the liver transplant sections in traditional hepatology textbooks. Readers will also enjoy: A thorough discussion of when to refer a patient for liver transplantation, including general considerations and the use and abuse of prognostic models An exploration of the selection, assessment, and management of patients on the transplant list, including how to manage a patient with chronic liver disease while on the waiting list A treatment of liver transplantation for acute liver failure (ALF), including assessment and management of ALF patients on the transplant waiting list A discussion of care of the liver transplant recipient after the procedure in the short and long term Perfect for gastroenterologists, hepatologists, and surgeons and other health care professionals managing patients with liver disease who are awaiting, undergoing and following liver transplantation, *Liver Transplantation: Clinical Assessment and Management* will also earn a place in the libraries of medical students, residents, internal medicine physicians, and GI/Hepatology trainees and all health care professionals providing clinical care to people with liver disease, before, during and after transplantation.

The Last Summer of the Camperdowns: A Novel Dec 30 2022 Washington Post Notable Fiction of 2013 Set on Cape Cod during one tumultuous summer, Elizabeth Kelly's gothic family story will delight readers of *The Family Fang* and *The Giant's House*. The Last Summer of the Camperdowns, from the best-selling author of *Apologize, Apologize!*, introduces Riddle James Camperdown, the twelve-year-old daughter of the idealistic Camp and his manicured, razor-sharp wife, Greer. It's 1972, and Riddle's father is running for office from the family compound in Wellfleet, Massachusetts. Between Camp's desire to toughen her up and Greer's demand for glamour, Riddle has her hands full juggling her eccentric parents. When she accidentally witnesses a crime close to home, her confusion and fear keep her silent. As the summer unfolds, the consequences of her silence multiply. Another mysterious and powerful family, the Devlins, slowly emerges as the keepers of astonishing secrets that could shatter the Camperdowns. As an old love triangle, bitter war wounds, and the struggle for status spiral out of control, Riddle can only watch, hoping for the courage to reveal the truth. The Last Summer of the Camperdowns is poised to become the summer's uproarious and dramatic must-read.

Three Hundred Years Hence Dec 06 2020 It is seldom that men begin to muse and sit alone in the twilight until they arrive at the age of fifty, for until that period the cares of the world and the education of their young children engross all their thoughts. Edgar Hastings, our hero, at thirty years of age, was still unmarried, but he had gone through a vast deal of excitement, and the age of musing had been anticipated by twenty years. He was left an orphan at fourteen, with a large income, and the gentleman who had the management of his estates proved faithful, so that when a person of talents and character was wanted to travel with the young man, a liberal recompense was at hand to secure his services. From the age of fourteen to twenty-one he was therefore travelling over Europe; but his education, instead of receiving a check, went on much more advantageously than if he had remained at home, and he became master of all the modern languages in the very countries where they were spoken. The last twelve months of his seven years' tour was spent in England, being stationary in London only during the sitting of Parliament. His talents thus cultivated, and his mind enlarged by liberal travel, he returned to America well worthy the friendship and attention of those who admire and appreciate a character of his stamp. He had not therefore been back more than a year, before his society was courted by some of the best men in the country; but previous to his settling himself into a home, he thought it but proper to travel through his own country also. His old friend, still at his elbow, accompanied him; but at the close of the excursion, which lasted nearly two years, he was taken ill of a fever caught from an exposure near the Lakes, and died after a few days' illness. Edgar Hastings was now entirely alone in the world, and he would have fallen into a deep melancholy, had he not engaged in politics. This occupied him incessantly; and, as his purse was ample and his heart liberally disposed, he found the demands on his time gradually increasing. He had occupations heaped upon him - for rich, disengaged, and willing, everybody demanded his aid; and such were the enthusiasm and generosity of his nature, that no one applied in vain. His first intention, on returning from his tour through his own country, was to improve an estate he had purchased in Pennsylvania, promising himself an amiable and beautiful wife to share his happiness; but politics interfered, and left him no time even for the luxury of musing in the evening. But a man can get weary of politics as well as of any other hard up-hill work; so, at the end of seven years, seeing that the young trees which he had planted were giving shade, and that the house that they were to overshadow was not yet begun, he fell to musing. He wanted something, likewise, to love and protect - so he fell to musing about that. He wished to convert a brisk stream, that fell down the side of a hill opposite to the south end of his grounds, into a waterfall-so he fell to musing about that. He wanted to make an opening through a noble piece of woods that bounded the north side, that he might catch a view of the village steeple-so he fell to musing about that. A beautiful winding river lay in front of his estate, the bank of which sloped down to the water's edge; this tranquillizing scene likewise operated on his feelings, so that politics faded away, and his mind became calm and serene. Thus it was, that at thirty years of age he had these fits of abstraction, and he became a musier.

The Science and Practice of Stuttering Treatment Jun 12 2021 The Science and Practice of Stuttering Treatment: A Symposium is a comprehensive resource for practitioners and researchers that spans the scientific basis and clinical management of stutters in people of all ages, from preschoolers to adults. Written by an international team of clinical and research leaders in the field of speech and language pathology, as well as scientists from the fields of epidemiology and neurology, the book offers a truly comprehensive coverage of contemporary stuttering management. Each chapter provides information on the 'Theoretical Basis of the Treatment', 'Outline of the Treatment', 'Scientific Evidence for the Treatment', 'Advantages and Disadvantages of the Treatment', 'Planned Future Empirical Development', and concludes with an in-depth critical review. This book is a must-have resource for speech and language pathologists, researchers and educators worldwide. FEATURES: Offers a rigorous critical review of each treatment Written by leading international experts in the field Completely up to date with the latest clinical and scientific research "This book is the output from the Research Symposium held in Croatia in 2010. This text is unusual in that it not only reflects the content of the Symposium presentations, but also reports the discussion that the presentations generated. The discussions that ensued were recorded and transcribed... The consistent organisation of each paper in the collection allows the reader to quickly access the critical information and to make direct comparisons across therapies... (and) provides the reader with a comprehensive overview of a variety of speech restructuring programs... The advantages/disadvantages and the discussion sections in each chapter help the reader with appraisal of the material presented and to make some judgements about generality and value... The reader feels exposed to the atmosphere and dynamics of the Symposium in a way that is rarely captured outside the conference auditorium." - A review from Sharon Millard (PhD., MRCSLT), Research Lead and Expert Speech and Language Therapist, The Michael Palin Centre, Whittington Health, London, UK
