A contemporary, culturally inclusive, and easy-to-digest relationship book for the modern age Today's generation is changing the rules about committed relationships—and looking to create more meaning within their lives. We are more selective before getting married, with more diverse families and family structures, and we've seen a significant drop in divorce rates. In this new environment, what couples need more than

ever are effective, flexible tools to communicate, navigate hard times, and create deeper connections with each other. Renowned Gottman therapist Elizabeth Earnshaw has helped to transform countless relationships. With *I Want This to Work*, she presents her most timely and proven steps for relationship success. “We’re in a cultural moment,” she says, “where people are hungry to absorb the principles for healthy relationships. This book answers that call.” Here, couples will learn how to work with the three challenges they must tackle to repair and strengthen their relationships: conflict, healing, and connection. In a supportive and relatable voice, Elizabeth simplifies complex concepts and provides core insights, exercises, and reflections to take these tested principles from the page and into real life. Culturally tuned in, LGBTQIA+ friendly, and written for both married and unmarried couples, this new paperback edition of *I Want This to Work* brings us an accessible guide to relationship healing and creating enduring intimacy. We have long been taught that emotions should be felt and expressed in carefully controlled ways, and then only in certain environments and at certain times. This is especially true when at work, particularly when managing others. It is considered terribly unprofessional to express emotion while on the job, and many of us believe that our biggest mistakes and regrets are due to our reactions at those times when our emotions get the better of us. David R. Caruso and Peter Salovey believe that this view of emotion is not correct. The emotion centers of the brain, they argue, are not relegated to a secondary place in our thinking and reasoning, but instead are an integral part of what it means to think, reason, and to be intelligent. In *The Emotionally Intelligent Manager*, they show that emotion is not just important, but absolutely necessary for us to make good decisions, take action to solve problems, cope with change, and succeed. The authors detail a practical four-part hierarchy of emotional skills: identifying emotions, using emotions to facilitate thinking, understanding emotions, and managing emotions—and show how we can measure, learn, and develop each skill and employ them in an integrated way to solve our most difficult work-related problems. The second edition of this best-selling Python book (over 500,000 copies sold!) uses Python 3 to teach even the technically uninclined how to

In this fully revised second edition of the best-selling classic *Automate the Boring Stuff with Python*, you'll learn how to use Python to write programs that do in minutes what would take you hours to do by hand--no prior programming experience required. You'll learn the basics of Python and explore Python's rich library of modules for performing specific tasks, like scraping data off websites, reading PDF and Word documents, and automating clicking and typing tasks. The second edition of this international fan favorite includes a brand-new chapter on input validation, as well as tutorials on automating Gmail and Google Sheets, plus tips on automatically updating CSV files. You'll learn how to create programs that effortlessly perform useful feats of automation to:

- Search for text in a file or across multiple files
- Create, update, move, and rename files and folders
- Search the Web and download online content
- Update and format data in Excel spreadsheets of any size
- Split, merge, watermark, and encrypt PDFs

Step-by-step instructions walk you through each program, and updated practice projects at the end of each chapter challenge you to improve those programs and use your newfound skills to automate similar tasks. Don't spend your time doing work a well-trained monkey could do. Even if you've never written a line of code, you can make your computer do the grunt work. Learn how in *Automate the Boring Stuff with Python, 2nd Edition*. *Book Design Made Simple* gives DIY authors, small presses, and graphic designers--novices and experts alike--the power to design their own books. "In a world where it's easy to lose faith in love, *I Wanna Be Where You Are* is a brilliant burst of light. A dazzling debut." — Nic Stone, New York Times bestselling author of *Dear Martin* and *Odd One Out*

When Chloe Pierce's mom forbids her to apply for a spot at the dance conservatory of her dreams, she devises a secret plan to drive two hundred miles to the nearest audition. But Chloe hits her first speed bump when her annoying neighbor Eli insists upon hitching a ride, threatening to tell Chloe's mom if she leaves him and his smelly dog, Geezer, behind. So now Chloe's chasing her ballet dreams down the east coast—two unwanted (but kinda cute) passengers in her car, butterflies in her stomach, and a really dope playlist on repeat. Filled with roadside hijinks, heart-stirring romance, and a few broken rules, Kristina Forest's *I Wanna Be Where You Are* is a YA debut perfect for fans of Jenny Han and Sandhya Menon.

In the east end of Regency London, two families lie butchered. Residents of the notorious Ratcliffe Highway, the victims bear the mark of unprecedented brutality. Panic sweeps the country as its public cries for justice. But these murders stem from an older horror, its source a sea voyage two centuries old. In a ship owned by Queen Elizabeth herself, a young man embarks on England's first venture into a new trade: human souls. As a nation's sins ripen and bloom, to be harvested in a bloody frenzy on the twisted streets of Regency Wapping, an *English Monster* is born. 'A story as rich in ideas as it is in intrigue' *Independent on Sunday* 'Brilliantly imagined ... Evokes such creations as *Shardlake* and *Jonathan Strange & Mr Norrell*' *Sun*

Can a love triangle have only two people in it? Online, it can...but in the real world, it's more complicated. In this debut novel that's perfect for fans of Jenny Han and Morgan Matson, Marisa Kanter hilariously and poignantly explores what happens when internet friends turn into IRL crushes. Is it still a love triangle if there are only two people in it? There are a million things that Halle Levitt likes about her online best friend, Nash. He's an incredibly talented graphic novelist. He loves books almost as much as she does. And she never has to deal with the awkwardness of seeing him in real life. They can talk about

anything... Except who she really is. Because online, Halle isn't Halle—she's Kels, the enigmatically cool creator of One True Pastry, a YA book blog that pairs epic custom cupcakes with covers and reviews. Kels has everything Halle doesn't: friends, a growing platform, tons of confidence, and Nash. That is, until Halle arrives to spend senior year in Gramps's small town and finds herself face-to-face with real, human, not-behind-a-screen Nash. Nash, who is somehow everywhere she goes—in her classes, at the bakery, even at synagogue. Nash who has no idea she's actually Kels. If Halle tells him who she is, it will ruin the non-awkward magic of their digital friendship. Not telling him though, means it can never be anything more. Because while she starts to fall for Nash as Halle...he's in love with Kels. The first book in the epic suspenseful romantic fantasy Astoran Asunder series. Contains mature content. Cianne Wyland leads a double life. No one in House Staerleigh would suspect that the meek woman on whom they heap their disdain is a gatherer of secrets. Determined to uncover whether the House's upper echelon—including her own father—are engaging in illicit activities in a grasp for control of the House, Cianne has made an art of slipping into their homes to rifle through their private lives. Kila an Movis is an Enforcer. Gods-gifted with an extraordinary ability to piece together physical clues, he's entrusted with protecting the vulnerable from crime. But his habit of expressing his opinions a little too freely earned him a nine-year banishment to the wilds, and he's determined to be more circumspect upon his return to the trade city. When someone close to Cianne dies and Kila is called out to investigate the scene, her world and his collide once more. His long absence hasn't driven the memory of him from her heart, but the woman he encounters isn't the child he remembers. Unwilling to trust anyone else, Cianne enlists Kila's help. The deeper they dig, the more secrets they unearth about her father, the other House members, and her entire life—until Cianne discovers that House Staerleigh is built on a foundation of lies. But the moment I meet Archer Hale, my entire world tilts on its axis . . . and never rights itself again. The book ecosystem is radically changing, and libraries must change with it. This book tackles the controversial discussion about eBooks and explores librarian-driven solutions and visions for the future of libraries in the 21st century. The eBook Revolution: A Primer for Librarians on the Front Lines is exactly what its title promises: an essential resource for librarians facing the formidable task of coordinating the library-wide transition to eBooks and fielding questions from patrons about eBooks on a daily basis. After an introduction that covers the basics of eBooks and current eBook technology, the author puts things into perspective, documenting the changes that have occurred over the past decade. She also delves into important eBook issues, identifying librarian-driven solutions and providing glimpses of what libraries in the near future will likely be like. The book examines perennially critical issues such as accessibility, resource sharing, and the digital divide within the context of eBook technology and provides a clear framework for discussing eBooks, thereby enabling readers to make informed decisions regarding their own organizations. “One of my favorite authors.”—Colleen Hoover An insightful, delightful, instant #1 New York Times bestseller from the author of Beach Read and People We Meet on Vacation. Named a Most Anticipated Book of 2022 by Oprah Daily ? Today ? Parade ? Marie Claire ? Bustle ? PopSugar ? Katie Couric Media ? Book Bub ? SheReads ? Medium ? The Washington Post ? and more! One summer. Two rivals. A plot twist they didn't see coming... Nora Stephens' life is books—she's read them all—and she is not that type of heroine. Not the plucky one, not the laidback dream girl, and especially not the sweetheart. In fact, the only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent, and her beloved little sister Libby. Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters' trip away—with visions of a small town transformation for Nora, who she's convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country

doctor or bulging-forearmed bartender, Nora keeps bumping into Charlie Lastra, a bookish brooding editor from back in the city. It would be a meet-cute if not for the fact that they've met many times and it's never been cute. If Nora knows she's not an ideal heroine, Charlie knows he's nobody's hero, but as they are thrown together again and again—in a series of coincidences no editor worth their salt would allow—what they discover might just unravel the carefully crafted stories they've written about themselves. We no longer long for "happily ever after." We no longer believe in "you complete me" or Mad Men gender roles. But we all, still, love to love love. This book is an exploration of a love for a new generation---a love replete with intimacy and trust, a love with room for change and independence, a love without ownership. I began this book rather casually, after a Midsummer Night's date. The first chapter met with more enthusiasm than anything I had ever written. It was then serialized on Elephant Journal, where it garnered millions of readers and an online community of 108,000. I felt like a donkey, who had accidentally won the love of a fairy queen--this new love was something we were all clearly puzzling over. Things I would like to do with You is a universal, personal and timeless exploration of love--a love that includes loneliness, humor, and friendship. May it be of benefit!~

Waylon Hart Lewis, Author A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic--from NYC and all the way to Spain--for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling

himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados.

The Spanish Love Deception is an enemies-to-lovers, fake-dating. NATIONAL BESTSELLER • SOON TO BE A MAJOR MOTION PICTURE • A favorite Christian romance classic—a tragically wounded soul, the man called to marry her, and the only love that heals all—now available in a beautiful keepsake, linen-bound edition! “A literary masterpiece, reminding us that God’s love is unconditional.”—Debbie Macomber

California’s gold country, 1850. A time when men sold their souls for a bag of gold and women sold their bodies for a place to sleep. Angel expects nothing from men but betrayal. Sold into prostitution as a child, she survives by keeping her hatred alive. And what she hates most are the men who use her, leaving her empty and dead inside. Then she meets Michael Hosea, a man who seeks his Father’s heart in everything. Michael obeys God’s call to marry Angel and to love her unconditionally. Slowly, day by day, he defies Angel’s every bitter expectation, until despite her resistance, her frozen heart begins to thaw. But with her unexpected softening comes overwhelming feelings of unworthiness and fear. And so Angel runs. Back to the darkness, away from her husband’s pursuing love, terrified of the truth she no longer can deny: her final healing must come from the One who loves her even more than Michael does . . . the One who will never let her go. A powerful retelling of the story of Gomer and Hosea, Redeeming Love is a life-changing story of God’s unconditional, redemptive, all-consuming love. When the opportunity comes to turn their real-life fling into something more for the Hollywood spotlight, will Ben be content to play the background role in Anna's life and leave when the cameras stop rolling? From actor Max Greenfield (from television's *New Girl*) comes a hilarious picture book for every child who thinks they don't like to read books (and all the kids—and grownups—who do). In their youth, Manni and Franzi, together with their brothers, Ziggy and Sebastian, captured Germany's collective imagination as the Flying Magical Loerber Brothers -- one of the most popular vaudeville acts of the old Weimar days. The ensuing years have, however, found the Jewish brothers estranged and ensconced in various occupations as the war is drawing near its end and a German surrender is imminent. Manni is traveling through the Ruhr Valley with Albert Speer, who is intent on subverting Hitler's apocalyptic plan to destroy the German industrial heartland before the Allies arrive; Franzi has become inextricably attached to Heinrich Himmler's entourage as astrologer and masseur; and Ziggy and Sebastian have each been employed in pursuits that threaten to compromise irrevocably their own safety and ideologies. Now, with the Russian noose tightening around Berlin and the remnants of the Nazi government fleeing north to Flensburg, the Loerber brothers are unexpectedly reunited. As Himmler and Speer vie to become the next Führer, deluded into believing they can strike a bargain with Eisenhower

and escape their criminal fates, the Loerbers must employ all their talents -- and whatever magic they possess -- to rescue themselves and one another. Deftly written and darkly funny, *Germania* is an astounding adventure tale -- with subplots involving a hidden cache of Nazi gold, Hitler's miracle U-boats, and Speer's secret plan to live out his days hunting walrus in Greenland -- and a remarkably imaginative novel from a gifted new writing talent. This book tells the classic story of Mary, who after losing her parents comes to live with her uncle in an English great house. When she gets there, she makes two friends: Dickon, a boy who talks with nature, and Colin, a poor boy who despite being a lord lives in isolation because of an illness. This friendship will lead to the discovery of a great secret: a forbidden garden, surrounded by walls and locked with a missing key, whose mystery goes back to a hidden accident. Decided to bring this garden back to life, Mary will join forces with her friends and walk into a path known today as a beautiful metaphor for the journey of self-awareness and awakening to the world. Written in 1911 by Frances Hodgson Burnett, a great author recognized for her success and independence, this work inspired various plays and movies and remains as vivid as the life brought out of it. For the Abbott siblings, the Green Mountain state has always been an idyllic place to call home. But it isn't until they open themselves up to love that they'll truly discover how fulfilling life can be... Almost seven years after losing her husband in Iraq, Hannah Abbott Guthrie isn't sure she's ready—or able—to move on, but the attentions of a lifelong friend are making her think about it for the first time. The memory of the sweet kiss she shared with Nolan Roberts hasn't strayed far from her thoughts, but she also fears that pursuing something with him would mean betraying her husband's memory. Nolan has loved Hannah for years, but he'd been giving her the space she needed to heal from her devastating loss. Now, when an opportunity arises to show her how he feels, Nolan can't resist, but he knows earning her love will take more than a kiss. Somehow he has to prove to Hannah that finding love twice in a lifetime is possible—and well worth risking her heart. Bonus: Exclusive to this edition—a never-before-in-print Green Mountain story Meet Nancy Carlson's peppy pig—a character who is full of good feelings about

herself. Her story will leave little ones feeling good about themselves, too! "Little ones in need of positive reinforcement will find it here. An exuberant pig proclaims "I like me!" She likes the way she looks, and all her activities....When she makes a mistake she picks herself up and tries again." --Booklist "Wonderful in its simplicity, here's a story that will help kids feel good about themselves." -- Boston GLOBE For

Remember When All You Wanted Was Your MTV? The perfect gift for the music fan or child of the eighties in your life. Named One of the Best Books of 2011 by NPR – Spin - USA Today – CNBC - Pitchfork - The Onion - The Atlantic - The Huffington Post – VEVO - The Boston Globe - The San Francisco Chronicle Remember the first time you saw Michael Jackson dance with zombies in "Thriller"? Diamond Dave karate kick with Van Halen in "Jump"? Tawny Kitaen turning cartwheels on a Jaguar to Whitesnake's "Here I Go Again"? The Beastie Boys spray beer in "(You Gotta) Fight for Your Right (To Party)"? Axl Rose step off the bus in "Welcome to the Jungle"? It was a pretty radical idea—a channel for teenagers, showing nothing but music videos. It was such a radical idea that almost no one thought it would actually succeed, much less become a force in the worlds of music, television, film, fashion, sports, and even politics. But it did work. MTV became more than anyone had ever imagined. I Want My MTV tells the story of the first decade of MTV, the golden era when MTV's programming was all videos, all the time, and kids watched religiously to see their favorite bands, learn about new music, and have something to talk about at parties. From its start in 1981 with a small cache of videos by mostly unknown British new wave acts to the launch of the reality-television craze with *The Real World* in 1992, MTV grew into a tastemaker, a career maker, and a mammoth business. Featuring interviews with nearly four hundred artists, directors, VJs, and television and music executives, *I Want My MTV* is a testament to the channel that changed popular culture forever.
